2. The New Student Enrollment Fee is a one-time fee and will be included in your Payment Plan. It is discounted 50% for the third and subsequent siblings in a family. For PreK students, this fee is assessed over two years; if eligible for the sibling discount, the full discounted fee is due the first year.
3. Monthly payments shown above exclude the Application Fee and the Testing Fee since these are paid prior to enrollment. The monthly payment calculation includes the one-time New Student Enrollment Fee and 1.8% Tuition Insurance Plan premium, and assumes a 12 month payment cycle (March - February). For students starting payments after March, the payment schedule will be compressed since the last installment is due in February.
