2027-2028 Admissions
Flower Mound

Your child's best opportunity to be considered for our most competitive grades will be to complete CDA's admissions process during **Round 1:**

1. Attend Campus Preview (if new to CDA)
2. **November 1–December 15:** Enter your church info and submit non-refundable application fee
3. By **January 15:** Complete application file
   - Schedule and complete assessments
   - Request references
   - Upload supporting documents
4. Await invitation for parent interview
   - Interviews are by invitation only
5. **Round 1** admissions decisions will be communicated no later than **March 5**

If you are unable to complete this process by the **Round 1** deadlines above, your application will be included in future rounds as space is available.

Follow your candidate's customized checklist in the **Admissions Portal**. Your Admissions Coordinator will help you throughout the process.

CDA asks that admission events not be recorded by participants. Admission events include but are not limited to campus previews, tours, interviews, etc. This request protects proprietary documents, employees, and students. We want everyone to feel comfortable and speak freely with the focus of events being on live talk. Please refrain from the use of all recording tools, video clips, and audio clips unless explicitly given permission by CDA. We welcome you to take written notes instead.

Application Process

When you are ready to apply, your customized checklist for each student will be available in the Admissions Portal. Additional information and documentation may be requested.
