STEWARDING THE FUTURE WITH GRATITUDE

Dear friends,

We all have so much to be thankful for here at Coram Deo Academy. What wonderful students and families are part of the CDA community along with the servant-hearted faculty and administration—we are blessed by God!

As we think about the current school year, we also look back at the blessings that the Lord has given last school year. That is the purpose in part of this Annual Report—a reminder of what God is doing here at CDA and what your generosity and support has provided for our broader CDA community.

As we go forward, contemplating what has been done so far, we look to what still needs to be accomplished. We are striving to be excellent for Christ—to reflect His excellence back to Him. What we believe is most important to the school in that context are our students, our families, our faculty, and our administrators. However, we also need places for learning to happen, for the arts to be displayed, for fields and courts for our athletes. We cannot properly resource these needs without your help, and we thank you for what God has done through you and your family.

In short, we praise God for you and for what He has accomplished at CDA through this community. Thank you for your love for Coram Deo Academy and for your continued support.

God be with you today,

DR. JEFFREY JOHNSON

President of CDA

“We cannot say enough about the caring teachers, coaches, and leadership at this school. It is a challenging program that prepared our children well for college success, and more importantly, reinforced a Christian worldview and strong foundation to build their lives upon.”

A THANK YOU FROM THE CDA DIRECTOR OF DEVELOPMENT

Dear Coram Deo Academy Family,

A well-known verse in the Bible has shaped my life in many ways, “For God so loved the world, that He gave His one and only Son, that whoever believes in him should not perish but have eternal life” (John 3:16). In this verse, we first notice God’s expansive love that is intended for all people. Secondly, and I believe at the heart of this verse, is God’s generosity as He gives sacrificially for those He loves.

Your investment in Coram Deo Academy reflects the very nature of God. We are honored that the Lord inspired you to give above and beyond to students, teachers, staff, and programs. Together we are developing future leaders to know and live out the truths of the gospel in this challenging world. It is the clear mission of our school to train ethical servant leaders and wise thinkers who will shape our culture for the glory of God. While this task is admirable, it is impossible without you!

Thank you for allowing the Lord to work through you this past year. As you flip through the following pages, know that you are part of this. Every number represents a student, a teacher, or a life that has been changed because of your sacrificial generosity.

For God’s glory,

JEREMIAH BETRON

Director of Development

YOUR GENEROSITY

We are profoundly thankful for the generous support of each person who has answered God's call and invested in Coram Deo Academy.

Every gift is making an eternal impact by shaping the next generation of ethical servant leaders and wise thinkers. Together, we are not only shaping students for this life, but equipping them to serve others and glorify God in all they do.

“My education at CDA was instrumental both in my studies and now in my work. CDA instilled core values and rhetoric training that allowed me to stand head and shoulders above my peers, both when communicating my own ideas and in discerning right from wrong when hearing from others.”

THE ANNUAL FUND AT WORK

The Annual Fund goes beyond what tuition can provide to enhance the education at CDA.

Your generosity toward the annual fund reaches every student every year, impacting Collin County, Dallas, and Flower Mound. From academics to fine arts to athletics, your support allows students to discover their unique gifts while learning in an environment where God is glorified.

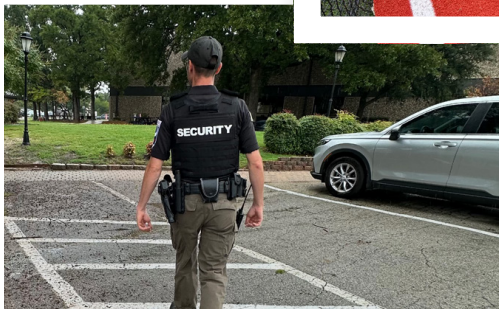

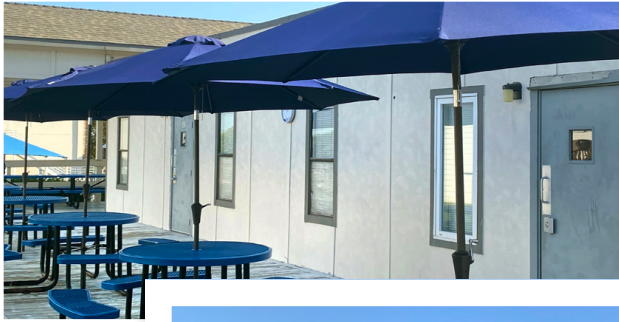

ANNUAL FUND

Each CDA campus is blessed by generosity through both the District and Campus Annual Funds. The District Annual Fund ensures stability and growth across all three campuses, working hand in hand with local campus fundraising. “

CDA offered a close-knit community with fellow believers that I continue to miss every day. The people and friends I made in my time at CDA not only left a lasting impact on me but also inspired my walk with God. Additionally, CDA offered many opportunities to connect with Christ, and I am truly recognizing how special that was as I continue my life in college.
