GIGUERE PROGRAM

The Giguere Program is designed for college-bound students with diagnosed learning differences. The program aims to ensure students with academic accommodations are offered those for classroom support and assessments. Additionally, Giguere provides resources and study strategies in order to promote skills assisting students to succeed independently at higher education levels. Giguere promotes each student's individual strengths and fosters an environment of inclusive excellence. The Giguere Program is named for Mrs. Irene Giguere, who started the program at Concordia Prep in 1981.
