

**THE COLORADO SPRINGS SCHOOL  
MIDDLE SCHOOL MEDICATION PERMISSION FOR TRIPS**

During off-campus excursions, a student may need to take certain medications, vitamins, and supplements. In Middle School, all prescription medications, over-the- counter medications, vitamins and supplements will be transported and administered by a CSS faculty member in addition to any over-the-counter medications to address any symptoms such as headache, gastrointestinal symptoms, allergies, colds, or injuries. CSS Faculty will travel with a First Aid Kit. If your student has an EpiPen for severe allergic reactions, this will be transported by a CSS Faculty member. A MS student is allowed to self-carry a rescue inhaler for Asthma.

Name of Student \_\_\_\_\_ Grade \_\_\_\_\_

Name of Off-campus event \_\_\_\_\_

**PRESCRIPTION MEDICATION, OVER-THE-COUNTER MEDICATIONS, VITAMINS AND SUPPLEMENTS:**

Name, Dose, Time of day to be given, # of days to be given, and any special instructions for each medication. (ie. refrigeration, etc.). These medications will be transported and administered by a CSS faculty member. All medication should be delivered to the Health Coordinator. Parents are responsible for providing this medication in the originally labeled pharmacy container. Send only the amount of medication necessary for the duration of the trip plus one extra in case one is dropped. Please list all the medications below and number them if multiple. .

I give my permission for a CSS faculty member to administer the above medication as ordered during the off-campus excursion.
