

## Seventh Grade Supply List 2025-2026

As you think ahead to seventh grade, consider what system you are going to use to organize your materials. We suggest using one of the following:

- 10-13 section, accordion-style expanding file folder (ie, Pentaflex)
- Case-It or Trapper-Keeper-style case with an individual folder for each class *and* 3-ring capabilities for workbooks, notebooks, and planner
- Individual, color-coded binders for each class

*\*A single folder is not enough to hold all your handouts and notes in seventh grade. You may try out different systems, but you must have some sort of plan!*
