Middle School Book Ordering

The school partners with BNC Services, a third-party online bookstore, to facilitate student book purchasing.

Book ordering for the MKA Middle School begins on Friday, August 1, 2025.

BNC ships directly to your home for a flat rate of \$9.99. We encourage you to place your orders as soon as possible to ensure that your student has their books prior to the start of school.

For students in grades 4-8, parents only need to purchase books for World Language, History (depending on the grade), and selected English texts. **All other mandatory books** are supplied by MKA, and will be billed to your student's tuition account.

Instructions for Ordering Books:

- Go to the [BNC Services website](#)
- If you are new to MKA, or have not previously used BNC, you will need to enter an Authentication Code, which is **2025**.
- If you have used BNC in the past, you can login using the link highlighted in red (see screenshot below)

- Under “Select Term,” choose “School Year 2025-2026” then click on Middle School and the a list of possible courses will appear
- If your student's course is not listed, you should presume that either MKA is supplying these books directly, or there are no books required for that course. For example, many math and science textbooks are supplied by the school and billed to your tuition account, and the courses are NOT listed on BNC.
- Select all the courses that your student is taking, then hit continue.
